

*You are invited...*

**to attend the Fortieth Anniversary of the Garden of Living Waters—  
the centerpiece of The Way International™!**

Dedicated on Pentecost in 1981, this masterfully designed garden and fountain will be showcased anew on Saturday, May 22, 2021 (Pentecost Weekend), with a special Fortieth Anniversary Fellowship at the fountain, followed by a fountain light show in recognition of this momentous occasion.

The Garden of Living Waters—with its thoughtfully arranged flowers and landscaping and its graceful fountain of flowing water that soothes the soul—continues to fulfill the original vision of our Founding President, Dr. Victor Paul Wierwille. He saw this garden as a gift for God's people—a peaceful place to bless thousands for decades and decades. And forty years later it continues to bless all with its peace and beauty.

Each facet of the Garden of Living Waters was designed with intricate detail and rich symbolism that have a spiritual significance to followers of The Way. You will be able to learn about the many Biblical and spiritual details of the garden and fountain and enjoy seeing both on full display at this special Saturday presentation.

**Come join us with your family and friends** for these Saturday evening festivities, and then be a part of the Pentecost Sunday Teaching Service in the Prevailing Word Auditorium.
