

The Word Over the World Auditorium Design your own tour!

Explore The Word Over the World Auditorium at your own pace. See areas you have never seen before! Ask questions of auditorium Staff. Take personal photos. Appreciate 40 years of stewarding the resources you make available. See how we move God's Word to the world from the Teaching Center stage.

Fun Facts

There are over 115 rooms in the 62,000+ square foot auditorium. About 75 staff and volunteers help produce each Sunday Teaching Service in support of moving God's Word over the world. The Auditorium, Audio/Video, and Way Productions Departments work full time in the building.

From the Opening

The auditorium is designed to be the greatest research, teaching, and fellowship center in the world. It is also a quiet place for prayer and a life-center for commitment, a place for healing. The purpose is to inspire and direct every believer's heart toward God and His Word as we move His Word over the world.

You Don't Want to Miss:

1st Floor: Fellowship Room with the PFAL Today set / Video Production where videos are produced / Stage where you can stand at the lectern

2nd Floor: Founders Room for history / Lobby where you can talk with auditorium builders / Practice Rooms to see how Way Productions prepares
