

The Way International™ Study Tours: Paul's Itineraries

(Reference Materials)

God bless you.

For your blessing, if you would like to read about the locations associated with Paul's itineraries (many of which we will visit), the table below lists scripture references and it also lists page numbers from a very helpful resource titled *An Illustrated Guide to the Apostle Paul: His Life, Ministry, and Missionary Journeys* by Alan S. Bandy.

We are looking forward to this great adventure together.
